Wine is not simply a beverage: it is rich in tradition – with cultural, social & human dimensions.

Welcome to The Lodge Dining Room.

This wine list is curated for you, whether you have found us for the first time, or are returning to relax & dine, savour a cocktail, or simply indulge in a glass or bottle of something special.

Our list is drawn from producers of excellent wine from Australasia & throughout the world – focussing on those who understand the relationship between site, soil, climate & cépage, and translate these elements into the bottle.
